Homemade Strawberry Sauce

Ingredients:

- 2 cups strawberries, hulled
- 2/3 cup sugar

Directions:

1. Heat strawberries and sugar over medium heat, stirring occasionally, until simmering. (small bubbles)
2. Reduce heat to low, cover and simmer, stirring occasionally until strawberries are soft.
3. Remove from heat and mash with a potato masher.
4. Cool completely and pour into mason jars, store in fridge. Can be frozen.
