Gluten Free Instant Cheese Sauce Powder

Ingredients:

- 1/3 cup Parmesan cheese
- 1/3 cup pre-shredded cheddar (the kind that comes in a bag)
- 3 tsp corn starch
- 1/2 tsp salt (or to taste)

Directions:

1. Blend all ingredients in a flat blade magic bullet, coffee grinder or spice mill.
2. Store in airtight container for up to 1 week.
3. Use like the powder that comes with Mac and Cheese, add desired amount to pasta, thin with milk and butter if desired.
